SUBJECT: TRI-COUNTY IMAGING, ACKNOWLEDGEMENT OF TIMELY RECEIPT OF
RENEWAL APPLICATION, CONTROL NO. 143790

Dear Ms. Denman:

This is to acknowledge receipt of your letter dated June 10, 2009, requesting termination of your license. Based on your conversation with Steven Courtemanche of this office, it was determined that you will be unable to dispose of radioactive sealed sources in your possession in a timely manner. It is our understanding that you will be sending us a letter by facsimile requesting that your license be renewed for possession and storage only and that you will act as the Radiation Safety Officer. The licensing action will be administratively changed to an application for renewal of the materials license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Any correspondence regarding the renewal application should reference the control number specified above.

Sincerely,
