To Whom It May Concern:

My name is Georgia Denman, the site Administrator for Tri County MRI. I am currently having difficulty disposing our nuclear sources. I would like to have our license renewed for position and storage only. I am currently working with NDP for disposal of these sources and would like to be made the Radiation Safety Officer in the interim. We are hoping to resolve this problem within the next 4 weeks.

Thank you, for your time

Georgia Denman
Site Administrator
