Subject: data for 9/8/09 phone call
Attachments: bellefonte 9-8-09 status.xls; bellefonte 9-8-09 public report.pdf

To all,

This email updates the inm the 9/4/09 email. Specifically, it provides the spreadsheet information and it provides updated status for the public report. Please note that the major change to the public report is contained in the status of chapter 2 items. The chapter 2 status, including confirmatory and open items, should now be consistent with SER with open items for chapter 2 that was provided to you on 9/4/09.

Sincerely,

Joe Sebrosky
Senior Project Manager
NRO/DNRL/NWE1
301-415-1132

**--- Status is not a final determination by NRC.

1

Issued/Open Action applicant -- The question has been issued to the applicant and the NRC is waiting for a response from the applicant.

Responded -- The applicant has provided a response to the question.

Confirmatory Action Applicant -- The applicant has responded the question. The NRC has reviewed and agrees with the response but some action included as part of the response is not complete (e.g., FSAR change is not formally submitted).

Confirmatory Action NRC -- The response to the question is acceptable but the NRC wants to verify/confirm that the application contains the information to close the issue. This is NRC staff's activity and no additional information is required from the applicant.

Resolved/Closed -- The NRC has accepted the response and no additional issues or concerns are remaining for that question.

Question closed/Issue Unresolved -- Question Closed means that the question can be closed if it is related a similar question or superseded by another
