Jim, your footer information is missing (RAI no. and page number) from these. Otherwise they look fine. If you send them over to me I'll get them down to ADAMS for insertion in the base document.

Mike,

Please disregard any earlier e-mail on this subject. I have found a better way to clean up the equation images and they are attached to this e-mail. Please let me know if you have any questions or need them submitted in another manner.

Kind regards,
Jim
