Subject: Update regarding this morning's telecon with PPL/Bell Bend

Rocky Sgarro of Bell Bend called this morning at 8:30 with the following:

At this morning's telecon,

- 1) Bell Bend will walk through the proposed changes to FSAR Section 2.5.2, and explain what's being done with respect to the FSAR;
- 2) Bell Bend requests that the NRC have a copy of the supplement that was submitted earlier for Section 2.5.2; this will help the NRC better understand the proposed changes as Bell Bend walks through it this morning.

Please have handy during the telecon a copy of the existing supplement for Bell Bend FSAR Section 2.5.2.
