Dear Mr. Torres:

I have reviewed the training information, and have determined that Mr. David Burroughs has attended the radiation Training session at SABIA in San Diego on January 12, 2009. His name was inadvertently omitted from the list.

Mr Terry Bosecker and Mr. James McKensie have not attended recent training at SABIA in 2009. They are both located at facilities in which a SABIA analyzer was operating for R&D purposes. Please remove both names from the list of authorized personnel under license condition 11A.

Thank you for your attention to this matter.

Sincerely,

James F. Miller  
R.S.O.  
SABIA, Inc.
