Alicia et. al.:

apparently I am allergic to Richmond. Therefore, I plan to work with Mike Scott in a virtual manner for NA. We have most of our issues resolved, and I don not see much on the horizon that would require a face-to-face and a week on the road. IF I have overlooked something and you need me there, please do not hesitate to tell me and get me moving on travel plans.

Subject: North Anna Final SEIS Writing Session (date change)

After some back and forth it looks like the date for the upcoming North Anna final SEIS writing session has changed to the week of October 19, 2009. At this point in time I anticipate only a small team will be necessary. The list below are folks who I expect to attend. If you are listed and think you are able to complete your review without having to attend, please contact me. If you are not listed but think you should attend, please contact me. I anticipate receiving the writing session version of the Final SEIS on or around Sept. 15, 2009. This allows approximately 4 weeks for review. I plan to call a team meeting within the next 2 weeks to answer questions and discuss concerns. Also, a schedule for the writing session and hotel arrangements are forthcoming.

Thanx for your patience and understanding.

Alicia
