Good news- thanks

When you have it up and running, shoot me a web link and I'll verify the statements

FYI: I am in Alaska next week on vacation (finally). No email, phone, or running water.

I'm working with Bill and Adam to update my sections— the reading room review may have to happen after I get back.

Alicia:

This came in from Jeff Ward. I'm not sure if this will also be available in the reading room.

Regarding RAIs: Based on our call last week, I need to get copies of the first three references listed in Section 4A.8 of ER Rev 2 (Page 4-16) to confirm the statements made in the ER about T&E absence on the new property.
