Subject: ACRS report

Peter,

I understand from my colleague that there was a question about the number of audits and inspections that were conducted for Indian Point. Here are the number and dates:

Audits:

- Scoping and Screening Methodology Audit
 - October 8, 2007 - October 12, 2007
- Aging Management Programs (AMP) Audit
 - August 27, 2007 – August 31, 2007
- Aging Management Review (AMR) & Time-Limited Aging Analysis (TLAA) Audit
 - October 22, 2007 – October 26, 2007
 - November 27, 2007 – November 29, 2007
 - February 19, 2008 – February 21, 2008

Total = 5

Inspections:

- Regional License Renewal Inspections
 - January 28, 2008 – February 1, 2008
 - February 11, 2008 – February 14, 2008
 - March 31, 2008 – April 2, 2008
 - June 2, 2008 – June 6, 2008, and June 18, 2008

Total = 4 (they count the June 2008 as one)

If you need any other numbers, let me know. Hope this helps.
