Subject: SUNSI Review for Fermi RAI Letter #2
Attachments: Re: Inquiry from Pubs Contact Form

ADAMSIM,

Please make the "Fermi, Unit 3, Revised Response to NRC Request for Additional Information Letter No. 2:" (ML092470230) Publically available. I have performed a SUNSI review and found no sensitive information. This request likely exceeds the normal 5 day SUNSI review to make documents public because I had to get permission from USGS to release their document which is an attachment in to the Fermi letter.

Mark Tonacci
Senior Project Manager
Division of New Reactor Licensing
