Subject: Response to Question on Fermi 3 RAI CR4.1.3-7

Randy and Craig: During our phone conversation on August 28, 2008, you asked for clarification of what was needed to fulfill NRC's request in the subject RAI, considering that the requested "Fermi 1 Phase I Cultural Resources report" does not exist nor will such a report ever exist and is not applicable to the Fermi 3 project. Specifically, NRC requested the following in the original RAI:

Provide copies of the Fermi 1 Phase I Cultural Resources report when available. Report should be in color, and include all figures, photos, and appendices.

Based on your question, NRC has re-evaluated Question Summary for this RAI and revises it as shown below. The remainder of the RAI text remains unchanged.:

Provide copies of the Fermi 1 NRHP-eligibility documentation when available. Documentation should be in color, and include all figures, photos, and appendices.

Please contact me if you have further questions on this matter.

Kirk: For the subject RAI, please add the following statement to the last column of the overall RAI status table:

[8/31/09] NRC revises the RAI Question Summary to read as follows: Provide copies of the Fermi 1 NRHP-eligibility documentation when available. Documentation should be in color, and include all figures, photos, and appendices.

Thanks,
Steve
