John, Steve, Kirk,

I have misplaced the instructions and log-in info for adding the letters to the Argonne FTP site. Can you please resend so I can get this letter to you. Thanks.

Steve and Randy:

I can get uploading access set up through our IT person. He said that he needs the following information, so please check that I have this correct:

First Name: Randy
Last Name: Westmoreland
E-Mail Address: westmorelandr@dteenergy.com
Organization: DTE Energy
Phone Number: 313-235-3368

After the account has been set up, Randy will get an e-mail that contains instructions for accessing and uploading files to the site.

John

John,

Randy Westmoreland told me that he will be able to upload RAI response files to Argonne's FTP site. The next RAI response submittal is scheduled to be transmitted on or before Friday, July 31. Therefore, please obtain and provide a Username and Password for Randy's use, along with instructions for how to access the site and perform the uploading.

In case of problems, Randy will still be sending me four CD copies containing the RAI responses.

Thanks,
Steve
