Jerry,

I spoke with LaShawn regarding the DTE QA questions they would like to discuss tomorrow if possible. They are on:

17.5-7 and
17.5-8 items e and f

This has to do with which version of the NEI template DTE should be using for the response. NEI is up to rev 7 (she thinks) but this is not yet approved. I am sure our QA folks can give them the guidance they need.
