**Subject: Exempt Distribution Deactivation Request 12-23905-01E**

Dear NRC:

This letter is to advise the NRC that MTI Industries, Inc. of Volo, IL requests that its Exempt Distribution license for Smoke Alarms, license 12-23905-01E be discontinued. We discontinued importing smoke alarms as of late 2008 and have sold all remaining inventory, MTI will not continue to distribute this device.

There are no ongoing services for the alarms as we have discontinued it. Any replacement or warranty claims will be handled using substitute smoke alarms purchased from an NRC licensed manufacturer.

We do not believe any reports as to clean up need to be filed as all the smoke alarms imported under this license have been sold. Our volume of returns for warranty claims are well under the limits of 10 CFR Part 20, Subpart E, and is ALARA.

In this process please contact me at (847) 546-9001 if I am not available as I am frequently out of the office, please ask for David Buddingh and he will get you the answers you need.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Wisniewski", written over a horizontal line.

Jeff Wisniewski  
President
