SUBJECT: {Plant X,} -CLOSEOUT OF SECURITY BULLETIN 2007-01 "SECURITY OFFICER ATTENTIVENESS" (TAC NO. XXXX)

Dear {Name}:

In December 2007, the U.S. Nuclear Regulatory Commission (NRC) issued Security Bulletin 2007-01, "Security Officer Attentiveness" (Agencywide Documents Access and Management System (ADAMS) Accession No. ML073400150).

[Licensee X] provided a response, dated [Date x] (MLXXXXXXXXXX), to Bulletin 2007-01. Once the [Licensee X] response was reviewed for [Plant X], the NRC staff identified a need for additional information. To gather that information, the NRC staff issued a Request for Additional Information (RAI) to [Licensee X] on [Date y] (MLXXXXXXXXXX). The NRC staff received the additional information on [Date z] (MLXXXXXXXXXX), which included detailed descriptions of [Licensee X's] administrative and managerial controls to deter and address inattentiveness and complicity among licensee security personnel.

The NRC staff has reviewed the submitted information and has concluded that your response to Security Bulletin 2007-01 and the subsequent RAI is adequate for [Plant X]. The bases for the NRC's conclusion have been documented in a memorandum, SECURITY BULLETIN 2007-01 "SECURITY OFFICER ATTENTIVENESS": SUMMARY REPORT (ML093440311). Based on this review, your response to the Security Bulletin 2007-01 is considered closed and no further action is requested of you at this time.

If you have any questions regarding this letter, please feel free to contact {name of DORL PM} at (301) 415-XXXX.

Sincerely,

{name} Project Manager  
Plant Licensing Branch {XX}  
Division of Operating Reactor Licensing  
Office of Nuclear Reactor Regulation
