Reference: Your Invoice No. L-1385-72, dated February 17,
1972, License No. 45-07548-02

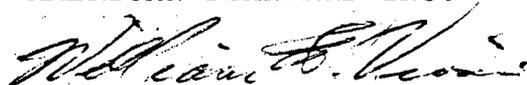

Gentlemen:

The bi-product material, Cesium 137, licensed to American Standard Inc. under the above reference was donated by American Standard Inc. to the Northern Virginia Community College, 8333 Little River Turnpike, Annandale, Virginia 22003, under a bi-product License No. 45-13955-01, issued to the College, expiring February 29, 1976. Approval for the transfer of the material was given by AEC in October of 1971, and the material was transferred on November 1, 1971.

The referenced invoice is therefore returned without payment, and we request that your records be so noted with the foregoing information.

Sincerely yours,

AMERICAN STANDARD INC.
