U.S. NUCLEAR REGULATORY COMMISSION, REGION III
2443 WARRENVILLE ROAD, SUITE 210
LISLE, IL 60532-4352****FROM: Jeremy Waller, Director of Operations****FAX: 630-515-1078****No. Of Pages Including Cover: 2***If there is a problem while receiving this fax, please call: 269-683-1910***SUBJECT: Transfer of Radioactive Material and Exposure Device**

Good Afternoon,

Niles Steel Tank Company has submitted a NRC Form 314, with leak test certificate, for termination of our Material License Number: 21-04741-01. This should arrive on Wednesday, September 16, 2009 via UPS. I had forgotten to add the Transfer Memo from the receiving licensee, Calumet Testing Services USNRC License No: 13-16347-01. Please add the attachment to the file for review. If there are any questions please contact me via the information below.

Thank you,

Jeremy D. Waller
Director of Operations

September 14, 2009

Subject: Transfer of Radioactive Material and Exposure Device

Niles Steel Tank Company, 1701-A Terminal Road, Niles, MI 49120 (USNRC License No. 21-04741-01) has ceased radiography operations, and does not intend to renew their USNRC radioactive material license (expires 7/31/2010).

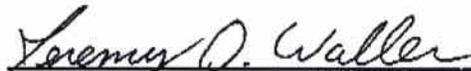

On this date, Niles Steel Tank Co. transferred their Iridium 192 sealed source (model 424-9, s/n 50262B current activity: 3.5 Ci) and Amersham 660B exposure device s/n/B2174 to Cal Testing Services, Inc. (CTS) 1945 N. Griffith Blvd., Griffith, IN 46319.

The exposure device with sealed source was picked up by CTS on this date, and secured and transported in their mobile darkroom vehicle, to the CTS facility in Griffith, IN.

NRC Form 314 - *Disposition of Material* was completed by Jeremy Waller, Director of Operations, Niles Steel Tank Company, in absence of their RSO. Current Leak Test Certificate is attached.

NRC Form 748 - *National Source Tracking Transaction Report* was completed by Jeremy Waller, Director of Operations, Niles Steel Tank Company, in absence of their RSO. Cal Testing Services, Inc. (USNRC License No 13-16347-01) is listed as the recipient of the material.

Form 314 and 748 were submitted to the NRC on this date. Copies of all NRC forms and correspondence will be kept on file at Niles Steel Tank Company and Cal Testing Services, Inc.

Jeremy Waller, Director of Operations
