NRC folks – In response to our calls/messages, I offer the following for your planning purposes.

Yes, industry can support public meetings on the following topics the week of October 5:

FCOP – 2.0 – 2.5 days
NUREG-1520 – 1 day
Design Features vs IROFs – 0.5 day

Yes, industry can support a public meeting on Dermal Exposures the week of November 9 to coincide with the semi-annual FOC meeting and drop in with the Commissioners on the morning of 11/12. We also plan to see Marty at that time if his calendar allows. As usual, we may want to carve out time for Dan/Joe et al to visit us at the FOC meeting on 11/10 or 11/11, which is actually Veterans Day, unfortunately.

Thanks, Janet
