Subject: Removal of references to intravascular brachytherapy

Dear Ms. Simmons,

This is to inform you of the following

1. Item G on our license is a Cordis Checkmate Catheter System. We have never purchased, commissioned or used this system in our hospital.
2. Item H on our license is a Guidant Corporation Model Galileo device that was decommissioned by the company on September 30, 2004. I have attached the decommissioning letter from Guidant.
3. Item I on our license is the Novoste Model A1000. We have never purchased, commissioned or used this system in our hospital.
4. With the removal of the intravascular devices, we will not have any need for Authorized Medical Physicists. Please remove all three AMPs, Vrinda Narayana, Peter Roberson and Brett Miller from the list of Authorized Medical Physicists.

In addition, I would like to inform you that I authorize Vrinda Narayana, Ph.D. to sign off on correspondence regarding matters related to license # 21-02802-03.

Please direct any correspondence and requests to Vrinda Narayana at 248 849 8622, Fax number 248 849 8448.

Thank you,

Sincerely,

Allan D. Fraiberg, M.D.

Dear Madam

Subject: Deinstallation of Guidant Galileo® III Radiotherapy System

Guidant hereby confirms that the Guidant Galileo® III Radiotherapy System was de-installed from the Providence Hospital on September 30, 2004. This de-installation was performed by Mr. Chris Hausoul of Nucletron a subcontractor trained and qualified to perform this function. The de-installation activities included the disassembly of the Source Delivery Unit (head and base) and the packaging of these items for return to Guidant Corporation.

Guidant further confirms that all Guidant P-32 sources and source cartridges have been returned by Providence Hospital to Guidant Corporation at our Pearland facility for disposal of the sources and refurbishment of the source cartridges.

If you have any additional questions or need any additional information, please contact me. I can be reached at 713 218 9353. Thank you.

Sincerely,

Martha Poston-Brown
Manager, Radiation Licensing and Logistics
