**Re: Docket No. 70-925; License No. SNM-928
Cimarron Corporation
Dielectric Fluid Contaminated Soil**

Dear Mr. Kalman:

Pursuant to your request made during today's telephone conference, the site roadway grid location defined in the placement of Option 1 dielectric fluid contaminated soil extends from 118N-240E southeast to 106N-260E. If you have any further questions, please contact me.

Sincerely,

Jess Larsen
Vice-President
