9/23/2009 15:54 I spoke with Mr. Fendt about the licensee's request to have a line item removed from the license. I asked if he had a letter from the recipient of the sealed source indicating that it had received the source. Mr. Fendt stated that he did not know but that he would check. He gave me contact information for TSI and the TSI RMA number (800113874) to aid me in my inquiry.
16:20 I left a message with the receptionist for the Radiation Safety Officer of TSI to get back in touch with me.
9/24/2009 08:10 Dennis Anderson, RSO of TSI, Inc. left me a voice-mail message requesting additional information so that he could determine if the source had been received.
9/25/2009 09:00 I called Mr. Anderson back and told him that since our exchange of calls, I had received a letter from the licensee with an attachment from TSI indicating that the source had been received by TSI. I thanked him for his assistance.
