Randy,

I just saw this email, so obviously I won't be able to get it out to all the participants for them to see before Monday morning. Without these instructions, will there be any problems in them finding where to go to get through security?

Steve and Laura,

Attached are instructions to get through security next week and get into the facility. There is also an overview map. Please note that most of the Meeting activities will be held on the 2nd floor of the Walker Cisler Building (WCB) and the auditorium is in the General Offices Building (G.O.)--go to the 9th floor and turn right--can't miss it.

Kind Regards,
