FOIA/PA REQUEST
Case No.: 2009-0291
Date Rec'd: 9-29-09
Specialist: Christian
Related Case: _____

To Whom It May Concern:

My name is David Enrich, and I am a reporter with the Wall Street Journal. Please accept this as a request under the Freedom of Information Act.

I hereby request records of any government contracts between the U.S. Nuclear Regulatory Commission and Citigroup Inc. (or any of its subsidiaries, including Citibank NA) since Sept. 30, 2007.

For those contracts, I request the following additional information:

- 1) any correspondence between your agency and Citigroup or its affiliates related to such contracts;
- 2) any bids, applications or other materials submitted by Citigroup or its affiliates in connection with such contracts or requests for proposals; and
- 3) descriptions of the roles played by Citigroup or its affiliates under the contracts, and the amounts Citigroup or its affiliates are being paid in connection with the contracts.

I request that all fees be waived because I am a member of the news media and this information is for news-gathering purposes. Disclosure of the information is likely to contribute significantly to public understanding of the operations or activities of the government. I do not seek this information primarily for commercial purposes. If you plan on charging me more than \$25, please notify me in advance.

I request that my request be processed in an expedited manner. This information is in the extreme public interest due to the U.S. government's large ownership stake in Citigroup and the \$45 billion in taxpayer funds that the government has provided Citigroup.

Thank you very much. Please don't hesitate to contact me with any questions about my request.

Sincerely,

David Enrich
