Docket No. IA-05-052

ORDER

On September 25, 2009, David Geisen filed an uncontested motion for extension of time until October 13, 2009, within which to file an answer to the NRC Staff's petition for review of the Licensing Board's Initial Decision in this matter, as well as the Staff's request to stay the effectiveness of the Initial Decision pending a decision on the petition for review. Mr. Geisen argues that this extension is appropriate given the length of the decision, the voluminous record, and conflicts in the professional schedules of his counsel. Pursuant to my authority under 10 C.F.R. § 2.346(b), the time within which Mr. Geisen may file his answers to both of the Staff's filings is hereby extended until October 13, 2009.

IT IS SO ORDERED.
