U.S. ARMY GARRISON, HAWAII

# Mission and Goals

**Mission:** Provide sustainable installation support and services for Joint War Fighters, their Families, and the Military community that meets current and future mission requirements, safeguards human health, improves quality of life and enhances the natural environment.

## **Goals:**

**Goal 1:** Provide quality facility, infrastructure and information technology service to support the Garrison's mission

**Goal 2:** Recruit, develop and retain a motivated, effective, adaptable, innovative and customer-focused workforce

**Goal 3:** Become the Army's benchmark for well-being, community relations and environmental stewardship in a safe and secure environment

**Goal 4:** Optimize the movement and deployment of people, equipment and materials

**Goal 5:** Maximize training support while minimizing the impact on natural environment and community

**Goal 6:** Be a model for the US Army and the State of Hawaii of reducing resource consumption while meeting mission needs

# Command Priorities

- Support mobilization, deployment, and re-deployment operations
- Support Warriors in Transition
  - Warrior Transition Unit (WTU)
  - Soldier and Family Assistance Center (SFAC)
- Care and support of deployed Soldiers and their families
- Take care of Soldiers and families
- Facilitate Transformation
