Further, pursuant to 10 C.F.R. § 2.336(c), attached is the Affidavit of Andrew L. Stuyvenberg, certifying that all relevant materials required by this section have been disclosed, and that the disclosures are accurate and complete as to documents identified by September 22, 2009.

In identifying these documents, the Staff does not concede their relevance to the license renewal issues to be decided in this proceeding.

AFFIDAVIT OF ANDREW L. STUYVENBERG CONCERNING
MANDATORY DISCLOSURE REQUIREMENT OF 10 C.F.R. § 2.336(b)

I, Andrew L. Stuyvenberg, do hereby state as follows:

1. I am employed as a Project Manager in the Division of License Renewal in the U.S. Nuclear Regulatory Commission's ("NRC") Office of Nuclear Reactor Regulation. I serve as a project manager for the Indian Point Nuclear Generating Station, Units 2 and 3 license renewal application ("LRA"). Among other things, I am managing the preparation of the hearing file and mandatory disclosures in connection with the LRA at issue in this proceeding.

2. I hereby certify that all relevant materials required to be disclosed pursuant to 10 C.F.R. § 2.336 (b) and (c) in the captioned proceeding have been disclosed, and that the disclosures are accurate and complete for documents identified as of September 22, 2009.

3. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.

DECLARATION OF BRIAN E. HOLIAN

I, Brian E. Holian, do hereby state as follows:

1. I am employed as the Director of the Division of License Renewal ("DLR") in the U.S. Nuclear Regulatory Commission's ("NRC") Office of Nuclear Reactor Regulation ("NRR"). My supervisory responsibilities include oversight of the NRC Staff's review and evaluation of the Indian Point Nuclear Generating Station Units 2 and 3 license renewal application.

2. As part of their responsibilities in updating the hearing file and mandatory disclosures for these proceedings, NRC staff members under my supervision identified certain documents as privileged because they contained information concerning the Staff's pre-decisional deliberative process. Those documents are listed in Attachment 2 to the September 30, 2009 submission of the Staff's Hearing File Index Supplement 8.

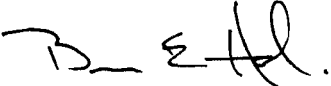

3. I have personally reviewed the documents identified as privileged in Attachment 2, and have determined, in accordance with the guidance set forth in Management Directive 3.4, that they contain pre-decisional information concerning the Staff's review of the license renewal application. All documents contain either Staff's analyses, recommendations, opinions, or evaluations, and may not necessarily reflect the final agency position with respect to the

matters discussed therein. Each of the documents comprises part of the deliberative process necessary for the Staff's review of the pending license renewal application.

4. Further, I have determined that disclosure of these documents could result in harm to the agency, in that it would (a) prematurely disclose the preliminary views of individual Staff members and/or the Staff prior to reaching a final agency decision, and could thus create confusion as to the actual policy or views of the NRC Staff; (b) hinder the efficiency of the Staff, in that forced disclosure of its internal discussions on an unresolved issue would tend to chill all future deliberations and would interfere with the Staff's ability to engage in a free exchange of opinions and analyses prior to publishing its final review documents; and (c) imply or suggest incorrectly that the opinions of the Staff members involved in these communications are actually the final decisions of the agency, while no such final decision has yet been made.

5. Accordingly, I formally invoke the deliberative process privilege with respect to each of the documents listed in Attachment 2 to the September 30, 2009 submission of the Staff's Hearing File Index Supplement 8.

6. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.
