Re: Matters Involving Turkey Point

Dear Mr. Kugler and Ms. Terry:

It was a pleasure making your acquaintance at the recent workshop we attended on August 29, 2009 regarding the nuclear reactors at Turkey Point. This matter was also discussed at a meeting of the Monroe County Board of County Commissioners on September 9, 2009 when the Commission expressed its concern that Monroe County, despite its proximity to and downstream location from Turkey Point, is not being noticed of meetings involving potential changes at the nuclear plant.

This letter specifically requests that whenever any matters related to FP&L's operations at Turkey Point are noticed for workshops, or any other hearings by the NRC in the COL application process, that the Monroe County Administrator and the County Attorney be officially noticed thereof. The appropriate addresses are:

County Administrator
Monroe County
1100 Simonton Street
Key West, FL 33040

County Attorney
Monroe County
P. O. Box 1026
Key West, FL 33041-1026

Thank you for your consideration of this matter.

Sincerely,

SUSAN M. GRIMSLEY
Assistant County Attorney
