SUMMARY

Regarding the name change, please state whether or not this is the result of a change in ownership. If it is, please address the items listed in NUREG-1556, volume 15

Also note that it is not NRC practice to list Asst. RSO's on NRC licenses. However, the Asst. RSO and duties will be incorporated into your license via license tie down condition.

9/25 follow-up call: Mike A. and Chris Ahn (consultant for Cammenga) called back and informed me that Cammenga had previously addressed the issue re: the change in ownership. I informed both individuals that I did recall that this issue had already been addressed and that they did not need to resubmit the information from Volume 15.

Mike also informed me that the current RSO, Mike Pastoor, had left the company as a result of the change in ownership and that he would like to appoint Debbie Spykerman as the new RSO. She has 12 years experience with Cammenga, working with licensed sources and assisting Mike Pastoor with RSO duties. I asked Mike A. to submit detailed information re: her experience/training, etc., by 9/28.
