Lisle, IL 60532-4352

RE: License # 34-26553-02

Dear Materials Licensing Branch:

Due to reassignment of our current Radiation Safety Officer (RSO), Ryan Parker, we wish to modify our present operational license to indicate that the RSO will be Joseph Cary. Mr. Cary has received training from this firm in several facets of our operations, including performing as assistant RSO to Mr. Parker. He has several hundred hours of hands-on experience with portable gauges and has also completed an additional RSO and safety course provided by Troxler. You will find attached the documentation of these classes.

If you have any questions, please feel free to contact me at (937) 435-3200.

Sincerely,

Sherif Aziz
President
TesTech, Inc

Enclosure: Documentation for Joseph Cary

Certificate of Completion

This certifies that

Joseph Cary

has successfully completed the

Radiation Safety Officer Class

conducted by the training department of

Troxler Electronic Laboratories, Inc.
