Subject: RE: Request for Expeditious Review of PAT-1 SAR Addendum

Importance: High

Chris,

We need a certified PAT-1 with Pu metal content as soon as possible to enable NNSA to perform its mission using safe, regulatory compliant packages. NNSA would like to have the this capability not later than May 2010.

R/Max

Subject: Request for Expeditious Review of PAT-1 SAR Addendum

Chris,

The attached file contains your copy of our letter requesting an expeditious review of the PAT-1 Package SAR Addendum. Please call me at (505)845-5902 or contact me via return e-mail if you have any questions.

Thank you for your assistance and support.

R/Max
