Dear Mr. Jaczko:

It is my great pleasure to take the chairmanship of the 25th INRA meeting as a successor of Director General, Mr. Byung-Ryong Moon for Atomic Energy Bureau of Ministry of Education, Science and Technology in the Republic of Korea.

As you are aware that the above mentioned meeting will be held from 19-21 October 2009 in Jeju Island, Korea. The major issues to be discussed are as follows; a long-term plan for stable supply of RI in medical area; radiation source related incident security management system; and meeting with top executives of nuclear vendor companies.

I would like to cordially invite you to the Meeting. With your presence in this meeting, I firmly believe that the meeting will provide an invaluable opportunity not only to share information and experience in nuclear safety and security, but also to exchange views on current safety issues and challenges.

The information sheet including the meeting program will be provided in due time. I look forward to meeting you next month in Jeju Island.

Sincerely yours,

Young-Chol Kang, Ph.D.
