Dear Congressman Gonzalez:

Thank you for your recent letter inviting the U.S. Nuclear Regulatory Commission (NRC) to participate in the upcoming Small, Minority, Women and Veterans Business Owners conference in San Antonio, TX. Unfortunately, the NRC will not be able to participate in the procurement conference due to a scheduling conflict.

Thank you again for the invitation. I hope that the events are successful.

Sincerely,

Good Afternoon Jeanette,

I am the new addition to the Small Business Program Office. I have attached a copy of an invitation to a conference in Houston, Texas and Diana Strong has indicated that regrettably, she is unable to attend due to a conflict in her schedule.

Please advise me how your office would like to proceed with the declination letter.

Thank you

Dian Saint

Dear Ms. Kelly:

On Wednesday, December 9, 2009, Bexar County and the University Health System will host the 9th Annual **Small, Minority, Women and Veterans Business Owners Conference** - "How to Get in the Game and Stay in the Game" in San Antonio, Texas. We are the very proud home of **Ft. Sam Houston**.

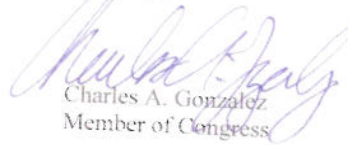

I'm inviting you to **join us as an exhibitor**. This year, we are focusing on "**Maximizing Federal Contracting Opportunities**." I have included a 2009 Conference agenda for your review.

The all day conference will feature workshops, vendor education, and access to the Procurement Technology Center. A primary focus of this conference will be on how to more effectively use technology to do business with public and private sector organizations. Over the past eight years, this event has provided tremendous opportunities for vendors and buyers to connect. Last year's conference was a huge success with over 3,800 attendees and 150 exhibitors. Public attendance is free.

We look forward to seeing you there! For more information and/or to confirm your participation, please contact Renee Watson, Manager of the Bexar County SMWBE Program, at (210) 335-2478 or rwatson@bexar.org.

Thank you for your consideration.

Sincerely,

Charles A. Gonzalez
