I am writing to cancel my specific license for our sabia analyzer. The sources are cf252, cs137.

We got had these sources removed by sabia inc, in August, 2009. This is on license #47-31146-01.

This is for a full ash analyzer that we don't use anymore. The Model # for the machine is SC-5000-0025.

Any help would be greatly appreciated in terminating this license.

Thanks,

Joe Price
