Desc: I am seeking access to records under the Freedom of Information Act. I am conducting research regarding the following nuclear power plants: Dresden, Zion, Monticello, Quad Cities, Point Beach, Kewanee and Saxton. I am seeking the original construction permits issued to each plant. I am also requesting records or plans that involve the underground pipe that was used for water and sewage flow at each plant. I am requesting this information because a client of my company had been named as a defendent in a lawsuit that involves alleged exposure to asbestos cement sewer pipe used at each plant. I understand that I am responsible for any cost associated with this request.
