SUMMARY

We have reviewed your letters dated July 1, 2009, and July 02, 2009, and find that we need additional information as follows:

1. Please verify the disposition of the gadolinium-153 sealed sources located at 2600 Greenbush Street, Lafayette, Indiana and submit a copy of the current leak test results.
  - a. If transferred to another licensee, please provide evidence that this licensee was authorized for the byproduct materials and also submit a signed and dated receipt of these byproduct materials.
2. Please confirm that the mailing address will remain 2600 Greenbush Street, Lafayette, IN.
3. From your letters and our conversation on September 17, 2009, the two locations, 2600 Greenbush Street and 116 North 16<sup>th</sup> Street, to be removed for unrestricted use have already been released for use by the licensee. In 10 CFR 35.13(f) states, "A licensee shall apply for and must receive a license amendment...before it changes the address(es) of use identified in the application or on the license." No response is required, however, this maybe subject to future inspection.
4. As discussed on September 18, 2009, Item 6D on your license will be removed. Per 10 CFR 35.65, "Any person authorized by 10 CFR 35.11 for medical use of byproduct material may receive, possess, and use any of the following byproduct material for check, calibration, transmission, and reference use." No response is required.

We will be unable to continue processing your request until we receive this information. In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice, " a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Record (PARS) component of NRC's document system (ADAMS) accessible from the NRC Website at <http://www.nrc.gov/reading-rem/adams.html>.

---

ACTION REQUIRED

Please submit a written response within 21-days or contact me to arrange an alternate response date. Be sure to reference control number 318361 to facilitate correct processing of your response.

If we do not receive a written response within 21-days, please note that we may void this request in order to enable you to prepare a response without time constraints. This would be done without prejudice to the resubmission of your request at a later date. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address.

Please note that a "Void" is an administrative procedure that puts your amendment request "On Hold" (takes it out of our active casework database) until you reactivate it via submission of a written response. Upon receipt of your written response we will resume our review.

**PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT (630) 829-9892.**
