Jim:

We would like to set up a teleconference for next week regarding the draft request for additional information (RAI) 61 and 62. Mike Canova is in a meeting all day today and asked me to coordinate the call with you.

Are you available to support a teleconference regarding these RAIs next Tuesday, October 6, 2009? If so, please send your availability and we will arrange the call. If Tuesday does not work, could you propose other times that you can support the teleconference?

Thank you for your time,

Jason
