That sounds like a good game plan. OGC would like to review the yellow announcement in draft form.

Donna attended a meeting yesterday sponsored by DOJ where the AG memo was the topic. She plans to issue a Yellow Announcement (YA) that will provide guidance about the Attorney General's memo and require submission of a foreseeable harm statement for denials. There may be other things in the YA too, but we want to get it out soon even though DOJ has not issued the new reporting guidelines yet. She also plans to hold a class for the agency FOIA coordinators, and will update the FOIA training class and materials, and the instructional guidance that her section provides to FOIA coordinators. I don't think this merits rewriting MD 3.1. Do you have any other suggestions?

Are we developing implementation guidance for staff? I haven't been able to read yet because the PDF is not easily readable on the Blackberry.
