Subject: 2009-11-01 RAI response extension

Steve,

As we discussed this morning, I hereby request a one week extension on all remaining RAIs. We need this extension to maintain the quality of our responses considering the number of RAIs that are due over the next three weeks. I understand that this extension will not impact the COLA review schedule. If the extension results in any problems, please let me know and we can work to resolve the problems.
