Attachments: US-APWR DC RAI 481 NSIR 3756.pdf

MHI,

The attachment contains the subject request for additional information (RAI). This RAI was sent to you in draft form along with a conference call. Your licensing review schedule assumes technically correct and complete responses within 30 days of receipt of RAIs, except, as you state, for the test abstracts that will be part of the High Assurance Evaluation Technical Report.

Please submit your RAI response to the NRC Document Control Desk.

Thanks

Jeff Ciocco
