DECLARATION OF KENNETH WARD

1. My name is Kenneth Ward. I am 61 years of age. I reside at 545 Lake Santee Drive, North Augusta, South Carolina 29841. My telephone number is 803-441-8035.

2. My residence is located less than 50 miles from the Vogtle electric generating plant. Since 1968 my family and I regularly fish, boat and water ski on the Savannah River from the Clarks Hill Lake (Thurmond Dam) to locations about 15 - 20 miles north of Augusta..

3. I therefore have an avid and direct interest in preserving the Savannah River and its resources, and I would be harmed if those resources were adversely affected or diminished, or if the potential impacts of the proposed expansion of the Vogtle plant on the river were not adequately or accurately assessed. For example, if water levels were to decrease in and around Clark Hill Lake to low levels due to a need to release water from Thurmond Dam in order to support the additional water needs of the proposed Vogtle plant expansion, that could have a serious adverse impact on the recreational value of Clarks Hill Lake.

I declare under penalty of perjury pursuant to 28 U.S.C. § 1746 that the foregoing is true and correct to the best of my knowledge and belief.
