RE: Watts Barr Nuclear Plant, Unit 2, Operating License Application Review
Environmental Scoping Comments

Dear Mr. Wiebe:

The Tennessee Department of Transportation appreciates the opportunity to comment on the Watts Barr Nuclear Plant, Unit 2, Operating License Application Review.

At this time we do not have any official comments, but have included a listing of projects we have in the area. I hope this information will be useful in your planning efforts.

If you have any questions, please contact Ms. Suzanne Herron, Director of our Environmental Division, at 615-741-3655.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Nicely".

Gerald F. Nicely
Commissioner
