Mr. Benjamin C. Waldrep
Vice President
Carolina Power and Light Company
Brunswick Steam Electric Plant
P.O. Box 10429
Southport, NC 28461

SUBJECT: ERRATA TO FINAL SIGNIFICANCE DETERMINATION OF WHITE FINDING
AND NOTICE OF VIOLATION (NRC INSPECTION REPORT NO. 05000325/
2009010 AND 05000324/2009010), BRUNSWICK STEAM ELECTRIC PLANT

Dear Mr. Waldrep:

On September 14, 2009, the US Nuclear Regulatory Commission (NRC) issued the subject inspection report for the Brunswick Steam Electric Plant Units 1 and 2 (ML092580351). In reviewing this report, we identified an administrative error regarding a tracking number for an NRC violation. Specifically, on page 2 of the cover letter, tracking number "Violation 05000325; 324/2009009-010" should be, "Violation 0500325; 324/2009010-01." Please make the appropriate pen and ink changes in the subject report to reflect these corrections. We apologize for any inconvenience caused by this error.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Should you have any questions concerning this letter, please contact me at (404) 562-4530.

Sincerely,

/RA/
Rebecca L. Nease, Chief
Engineering Branch 2
Division of Reactor Safety
