Subject: Renewal of NRC License PCB110.01 Expiring December 6, 2009

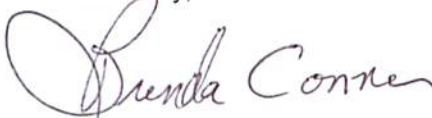

Dear Steve,

Attached is the application form to renew License PCB110.01 and a check (# 4280024275) for \$4,100.00.

The renewal of this license is contingent on the timely renewal of California's State License 0017-01, which was submitted last week by Donald Krause in Vallecitos, CA.

Please expedite these license renewals as we now have a customer order for early December. We have increased the total maximum activity limit to 3,700 TBq (100,000 Ci) per shipment but have not requested any assurances at this time.

Sincerely,

Brenda Conner
