Elizabeth,

Reference the EA for the DLA/DNSC facilities at the Hammond, IN Depot, Indiana Radiological Health Program concurs with the USNRC, "Finding of No Significant Impact (FONSI)." We understand that issuance of the amendment to this end, would release the Facility for unrestricted use. We are in agreement with USNRC's determination.

Thank you for the opportunity to review this EA as it impacts the State of Indiana.

Regards, Rex

Rex,

Attached is a draft EA for the release of the current Defense Logistics Agency facilities at the Hammond Depot. All of the documents referenced at the end are publicly available through ADAMS at the NRC web site, [www.nrc.gov](http://www.nrc.gov) but contact me if you want to review them and are having trouble. They are VERY big documents, both in paper thickness (I have a stack of 3-4 inches of paper) and in pixels, as they included many color photos and graphs.

Please provide any comments within 30 days. If you will not be able to provide comments in that time, please contact me.

thanks,  
Betsy
