Louise,
Unfortunately, I won't be able to participate at that time. I have a meeting that I cannot get out of. I know Rich will be able to provide the support you need. Also, John White will be on travel in CA.

John,
Do you have anyone who can provide support on the OC issues (e.g., buried pipe inspection) for the Monday 3-4pm call which is preparation for the 6/10 Chairman briefing?

Kim

attached ... I've reserved 3 - 4 pm Monday on Brian Holian's and Ed Williamson's (OGC) calendar to discuss how we'd handle the topics. Can you both participate then? How about John White, as well?
