Subject:

license amendment
clarification

(NOTE: This will be used as the
Documents Title in ADAMS)

I explained to Mr. Jones that the NRC had mistakenly kept the license for the Bethlehem, Pennsylvania distribution center instead of turning it over to Pennsylvania during the Agreement State transfer. I told him the process would now be for the NRC to issue a new license (20-30024-05) for the Bethlehem, Pennsylvania distribution center and amend the existing license (20-30024-03) to remove the Pennsylvania location and add the Puerto Rico location. The new license would then be turned over to Pennsylvania.

I confirmed with the corporate RSO that they did not wish Pm147 on the license and that Miguel Morales would be listed as RSO and the sole AU on the license.
