

Generic Issue (GI) Status Update Form

This form is provided for your use in describing changes in the status of Generic Issues (GIs), relative to that presented in the Generic Issue Management Control System (GIMCS) Report for the 4th Quarter of Fiscal Year 2009 (ML092800202). Please send status updates, approved through the responsible Branch Chief, via email to Richard Perkins (richard.perkins@nrc.gov) with copies provided to the responsible Deputy Division Director and the Office GIP Coordinator (see the checklist provided with this update form) no later than December 15, 2009.
