Name of Licensee: U.S. Department of Agriculture (USDA)

Name of Participant(s): John Jensen, RSO, USDA and Laurie Kauffman, Health Physicist, RI NRC

Telephone No. (301) 504-2441

Subject: Inspection Follow-up regarding USDA Forrest Services (FS) in Parsons, WV
(NOTE: This will be used as the Documents Title in ADAMS)

Mr. John Jensen returned my voice-mail on 11/12/2009.

I left a message with him on 11/14/2009. I will call him again on 11/19/2009.

This call was to follow-up with Mr. Jensen to determine:

1) if Mr. Jensen had contacted the previous local RSO, Mr. James Kochenderfer, to ask him if he recalls "loaning" the gauge to Mr. Goff and if there is any paperwork associated with the loans (telephone record, dated 10/15,

and

2) if the previous local RSO allowed Mr. Goff, of the University of West Virginia (UWV), to be an authorized user on the USDA license. Specifically, I asked if Mr. Goff was operating on behalf of the USDA because of the grant between the USDA and the UWV.

I also asked Mr. Jensen to verify the dates that the gauge had been sent to Troxler, for repair while in Mr. Goff's possession and to provide the serial number of the gauge.

Action Required:
Enter this telephone record into ADAMS, call Mr. Jensen November 19, 2009. Keep inspection open.
