John,

Thanks. Please feel free to add any other correspondence of which we are aware - we are looking for this to be a complete list as of today.

Scott,

Thanks - good list! Let's run this by John White for completeness to see if he has any others of which he is aware.

Scott,

Here is what I put together. The first list is from the last external communication list I have from Lisa, with status updates based on what I could see in ADAMS.

Outside of Scope

SD
PE

G20090306, May 27, 2009, Letter from Congressman Adler to Chairman Klein regarding tritium leaks and buried piping at Oyster Creek. @ Chairman's Office for signature

Additionally, I found some later correspondence in ADAMS, listed below.
