Subject: CORR-09-0056

Importance: High

Subject CORR-09-0056 -
Letter to REP John H. Adler, responds to letter concerning a leak in buried piping at the Oyster Creek Nuclear Generating Station

On 6/26, the last Commissioner voted on this CORR.
Please advise SECY as to how the final response should be prepared, as well as providing the Chairman's vote.

Thank you,

Linda Mike
